To all Maruichi Leavitt Pipe & Tube Customers,

Due to increased coil prices and strong demand for our tubular products, please be advised Maruichi Leavitt Pipe & Tube is raising the price on all new orders of our A513, A500 and A53 products by a minimum of **\$150.00 per ton**, effective immediately.

This increase applies to all quotes and contracts not yet confirmed.

Orders previously placed and confirmed will be price protected through April 5, 2022 shipments.

We will also be reviewing all current negotiated freight rates. Any changes will be advised by your sales representative.

Should you have any questions regarding your existing orders, or this increase, please contact me or your Maruichi Leavitt Pipe & Tube Representative.

Thank you so much for your business, we appreciate your continued support.

Sincerely,
