To all Maruichi Leavitt Pipe & Tube Customers,

Effective immediately, Maruichi Leavitt Pipe & Tube will increase A53 Grade B Standard ERW Pipe prices by a **minimum of \$150.00 per ton** due to rising raw material costs and a strong demand for our pipe products.

All confirmed orders will be price-protected for shipment through December 22<sup>nd</sup>, 2023. All unconfirmed quotes and contracts are subject to this increase.

Should you have any questions regarding your existing orders or this increase, please contact me or your Maruichi Leavitt Pipe & Tube Sales Representative.

December 22<sup>nd</sup>, 2023 is our last Shipping Day for 2023. Shipping will reopen on January 2<sup>nd</sup>, 2024.

As always, thank you for your business. We appreciate your support.

Thank you,
