

QUALITY POLICY

Maruichi Leavitt Pipe & Tube, LLC is dedicated to the production of quality steel pipe and tubing and to building lasting relationships with our customers.

We strive to exceed API, ASTM, ISO, and our own, exacting standards, for product tolerances and specifications. We believe the best way to do this is by involving our employees and encouraging their continual improvement in every aspect of our business.

We accomplish this by following our procedures and establishing objectives that recognize customer satisfaction as the primary goal.

This policy will be communicated to all parties interested in the performance of our quality management system, including the public.
